

GIVE BLOOD .ORG

Commit for Life for patients like Denise, who was seriously injured in the recent incident near our church. All donations will go into the community blood supply to help area patients, in honor of Denise, the first responders who saved her life and the community that has provided wonderful support to the family. Denise's sons are leading the effort to replace the units that were required to save her life.

The family is grateful for your *Commit for Life* donation.
