Dear Mr. Sergesketter:

The Nottingham Task Force requests that you include an agenda item for the December 19, 2016 meeting that will allow the Super Neighborhood 16 representatives the opportunity to vote to endorse and support the Nottingham Task Force Plan for the Kirkwood Project from Interstate 10 to Memorial Drive.

Attached to this email is:

1. Nottingham Task Force Plan,
2. BikeHouston/NTF Joint Agreement letter
3. NTFPlan1

We look forward to being able to make an appropriate presentation to the group to enlist the Super Neighborhood support of our activities.

Respectfully,

THE NOTTINGHAM TASK FORCE
